Advantages of Rotomolded VS Injection-Molded (Macro) Bins

- ✓ More Uniform Wall Thickness
- ✓ Stronger
- ✓ More Flexible
- ✓ More Durable
- ✓ Less Likely to Crack or Break in Extreme Temperatures
- ✓ No Parting or Weld Lines to Harbor Bacteria
- ✓ High-Quality Finish

Industries Served:

Meat Processing

Poultry Processing

Seafood Processing

Nut Processing

Pet Food

Recycling (Metal, Paper, Glass)

By-Product Waste

Wine & Grape Processing

Hazerdous Material Transport (Class 9)

...and More!
